Salt Spray Chamber

SALT SPRAY CHAMBER
CORROSION TESTING MADE **PRECISE**

- ACCURATE & RELIABLE RESULTS
- SALT FOG AS PER STANDARDS
- MICROPROCESSOR CONTROL
- CORROSION RESISTANT STRUCTURE

APPLICATIONS

- Automotive Components
- Electroplated Parts
- Paints & Coatings
- Fasteners & Hardware
- Electronic Components
- Aerospace Components
- Metal Finishing Industries
- R&D and Quality Control Labs

High-performance corrosion testing chamber designed for ASTM B117, ISO 9227 and related standards. Suitable for automotive, aerospace, coatings, electronics, fasteners and quality-control laboratories.
